

# ***'CONTAGIOUS JOY'***

## ***Celebrating the Arts***

**SUMMER SUNDAYS AT RLC**  
**11:00-12:00**

Children and adults are invited to join us in June and July as we try our hands at different art forms. Projects will be displayed in August as we prepare to celebrate our congregation's 35<sup>th</sup> Anniversary. A recurring theme will be the butterfly – symbol of the resurrection. Watch for it.

### SESSION SCHEDULE:

- |                |                                                                                                                                                                                                       |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>June 14</b> | <b>Fabric Wall Hangings</b> – We'll create quilted wall hangings depicting the four seasons – with butterflies                                                                                        |
| <b>June 21</b> | <b>Mosaic</b> – We'll make a paper mosaic tracing the journey from caterpillar to butterfly and listen to the story "The Very Hungry Caterpillar"                                                     |
| <b>June 28</b> | <b>Photography</b> – We are created in God's image. Today we'll take photographs of each other to make a collage depicting God's resurrection people                                                  |
| <b>July 5</b>  | <b>NO CLASS</b>                                                                                                                                                                                       |
| <b>July 12</b> | <b>Music</b> – "Make a joyful noise to the LORD" with our voices and instruments                                                                                                                      |
| <b>July 19</b> | <b>Stained Glass</b> – used in cathedrals to tell the salvation story, we'll create our own stained glass window. Adults will work with real glass; children will make their own tissue paper designs |
| <b>July 26</b> | <b>Putting it all Together</b> – we'll finish assembling the wall hangings, collage, mosaic & stained glass so our joy can be shared with all                                                         |
